### **Build-out line rules**

For certain age groups, the defense must drop to the mid-field line whenever the goalkeeper has the ball, either for a goal kick or during normal play. See below for the age groups that follow this rule.

### **Heading and punting violations**

In games where heading and punting are not allowed, an indirect free kick will be awarded at the spot of the violation. If the goalkeeper punts the ball from inside the 6 yard box, the indirect free kick occurs on the line of the box closest to the infraction.
